

C-Quench® Antioxidant Serum

Protect your skin from free radical damage and pollutants with this gentle and strengthening antioxidant serum with lilac stem cell extract and resveratrol.

Key Benefits

- ✓ Multiple antioxidants and botanicals offer superior protection from aging UV rays and other external offenders
- ✓ Vitamins C and E provide additional support against environmental pollutants

Key Ingredients

- + **L-Ascorbic Acid (15%)** – an antioxidant and MMPi that is the only bio-available vitamin C for the skin. It minimizes the appearance of fine lines and wrinkles while promoting an even skin tone.
- + **Sodium Hyaluronate** – has the ability to hold 1,000 times its weight in water and plays an important role in skin protection, hydration, lubrication, and strengthening.
- + **Syringa Vulgaris (Lilac) Leaf Cell Culture Extract** – its major component is verbascoside, an antioxidant derived from the stem cells of the lilac plant.

Before

After four months

Condition: Deep wrinkling and laxity*. **Solution:** received five Ultra Peel® I and Ultra Peel® II treatments and used Facial Wash, C-Quench® Antioxidant Serum, ExLinea® Peptide Smoothing Serum, Hydrator Plus Broad Spectrum SPF 30, ReBalance. *Photos not retouched.
