

Hydrator Plus Broad Spectrum SPF 30

Protect aging skin against UVA and UVB rays with our most hydrating sunscreen. Added antioxidants increase protection from free radical damage.

Key Benefits

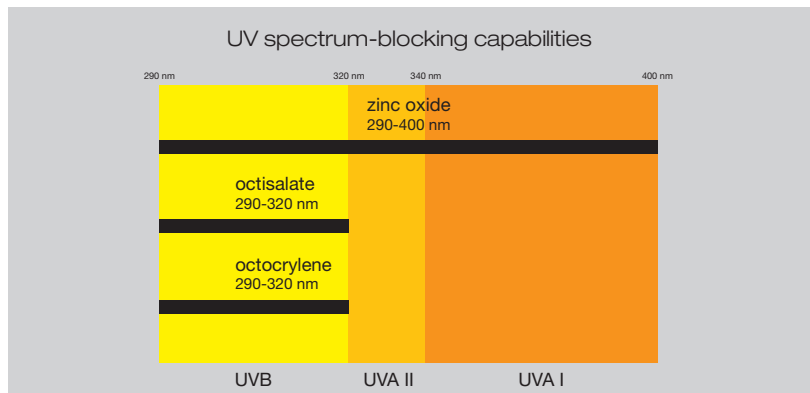

- ✓ Our reef safe* broad spectrum SPF30s defend skin against aging UVA rays and burning UVB rays
- ✓ Offers hydration and broad spectrum UV protection in one product
- ✓ Contains powerful antioxidants for advanced skin protection
- ✓ Awarded The Skin Cancer Foundation Seal of Recommendation for Daily Use

Active Ingredients

- + **Octisalate (4.9%)** – absorbs and filters UV rays.
- + **Octocrylene (9.5%)** – absorbs and filters UV rays.
- + **Zinc oxide (5.4%)** – provides broad spectrum UV protection by reflecting, scattering, and absorbing UV rays.

Key Ingredients

- + **Glycerin** – a humectant and emollient that helps bind water to the skin for long-term hydration.
- + **Sodium Hyaluronate** – has the ability to hold 1,000 times its weight in water and plays an important role in skin hydration.

Active Ingredients

Octisalate (4.9%), Octocrylene (9.5%), Zinc oxide (5.4%)
