

# Overnight Lip Mask

Intensely hydrate and nourish lips while helping retain essential moisture with this leave-on nighttime treatment. Formulated with a unique blend of nourishing and emollient ingredients, this ultra-hydrating lip mask promotes softer, smoother lips in the morning.

## KEY BENEFITS

- ✓ Hydrates and nourishes lips while helping retain moisture
- ✓ Fights visible signs of aging and minimizes the appearance of lip lines\*
- ✓ Soothes and conditions chapped, tight lips and reduces flakiness
- ✓ Helps skin maximize its overall natural overnight rhythm of repair and protection

## KEY INGREDIENTS

- + **Squalane** - A naturally-occurring oil with emollient properties derived from foods such as olives and wheat germ. This light occlusive agent helps retain essential moisture to improve hydration and help support the skin's natural barrier function.
- + **Shea Butter** - A plant-based emollient that softens and helps maintain moisture in the skin without greasiness. It is high in triglycerides and vitamins A, E, and the omega-6 essential fatty acid gamma linolenic acid (GLA).
- + **Vitamin E (Tocopherol & Tocopheryl Acetate)** - Lipid-soluble antioxidant vitamins and emollient ingredients that protect skin from free radical damage.
- + **Botanical Blend featuring Medicago Sativa (Alfalfa) Extract** - A complex of lipids and fatty acids that help promote overnight repair and protection and increase essential skin moisturization.
